FEATURED PROJECTS

CHICKEN WILD TOURNAMENT [\(Click here\)](#)

Interactive web application optimized for mobile, tablet, and desktop. Players compete in 1v1 matches where each one receives an egg, and the winner is determined by the egg's rank.

- **Role:** Scrum Master, coordinating the development team and ensuring deliveries in agile sprints.
- **Technologies:** HTML5, CSS, JavaScript

YOURGAINZ [\(In process\)](#)

Platform with over 200 exercises explained through animations, designed to guide users in their workouts. It includes a ranking system where each user can log and share their personal weightlifting records, promoting motivation and competitiveness.

- **Role:** Product Owner, responsible for the product vision and ensuring business objectives are met.
- **Technologies:** HTML5, CSS, JavaScript, React, Laravel, TailwindCSS, API usage
